XV

International Scientific Conference
«Monitoring of Geological Processes and
Ecological Condition of the Environment»
17-19 November 2021, Kyiv, Ukraine

FIRST ANNOUNCEMENT

ESI “Institute of Geology” of Taras Shevchenko National University of Kyiv with the support of the European Association of Geoscientists and Engineers (EAGE) organizes a conference dedicated to monitoring of natural hazards, which include both geological hazards, and study the geological factors that can lead to environmental disasters.

The conference will include new approaches of using geological and geophysical methods for natural and man-made processes assessment, as well as ecological analysis of territories.

Objective of this event is to facilitate exchange of valuable scientific experience, integration of different sectors of research, and improvement of interagency and international cooperation.

IMPORTANT DATES

1 May – 15 September 2021 – Call for papers
17–19 November 2021 – registration, accommodation of participants and Conference

VENUE

Institute of Geology
Taras Shevchenko National University of Kyiv
Kyiv, Vasylkivska str., 90

PRESENTATIONS

15 minutes are allocated for oral presentation and 5 minutes for discussion, 10 minutes for poster presentation. The main working language of the conference - English. Section rooms will be equipped with projectors.

Posters: size A0 (portrait orientation).

THE CONFERENCE IS SUPPORTED BY

S.I. Subbotin Institute of geophysics of NAS of Ukraine
Kiev Institute of Engineer Survey and Research «Energoproekt»
All-Ukrainian Association of Geoinformatics
Ukrainian association of Geologists
KAI Group
GeoUnit Company
Suchasna Geofizyka Company

CONTACTS

Institute of geology of Taras Shevchenko National University of Kyiv
03022 Kyiv, Vasylkivska street, 90
tel: +380(44) 431-04-40,
tel./fax: +380(44) 521-33-42, 521-33-38,
E-mail: geoconf@ukr.net

TOPICS OF THE CONFERENCE

- Modern technologies of geophysical monitoring
- Monitoring of aquatic environment and atmospheric air
- Monitoring for risk minimization and prevention
- Geophysics in engineering geology, soil science, archaeology
- Aerospace methods

PROGRAMME COMMITTEE

S.A. Vyzhva - ESI “Institute of Geology” of Taras Shevchenko National University of Kyiv;
G. Apostolopoulos - National Technical University of Athens;
A.G. Aronov –The Centre for geophysical monitoring NAS of Belarus;
O. Curas – British Geological Survey;
O.M. Ivanik - ESI “Institute of Geology” of Taras Shevchenko National University of Kyiv;
O.V. Kendzera - Institute of Geophysics (IGP) of the National Academy of Sciences of Ukraine;
S.I. Kyreyev – SSE «Ecocenter»;
V.Yu. Maksymchuk – Carpathian Department, Institute of Geophysics (IGP) of the National Academy of Sciences of Ukraine;
V.I. Osadchiy - Ukrainian Hydrometeorological Institute of the National Academy of Sciences of Ukraine;
R.Ye. Opimakh - The State Service of Geology and Mineral Resources of Ukraine;
V.I. Prisiazhnii - National Space Facilities Control And Test Center;
O.A. Shchypstov - State Institution “Scientific Hydrophysical Centre of the National Academy of Sciences of Ukraine”;
V.I. Starostenko – Institute of Geophysics (IGP) of the National Academy of Sciences of Ukraine;
Wei Wu - Institute of Geotechnical Engineering, University of Natural Resources and Life Sciences;
M.A. Yakymchuk – All-Ukrainian Association of Geoinformatics, EAGE Kyiv Local Chapter;
P.O. Zahorodniuk – Ukrainian Association of Geologists;
S.P. Zapototskyi - The Faculty of Geography of Taras Shevchenko National University of Kyiv
